September 11, 2000

Washington, D.C. — The U.S. Mint today announced that a limited edition of 75,000 New Hampshire Official First Day Coin Covers will be available online at [www.USMINT.gov](http://www.USMINT.gov). at noon Eastern Time on September 18. The First Day Coin Covers feature two New Hampshire quarters from the first day of mintage — July 31, 2000.

Priced at \$19.95, the First Day Coin Cover includes quarters from both the Philadelphia and Denver Mints on a handsome display card with the 33-cent Flag-Over-City postage stamp. The postmark of "August 7, 2000, Concord, New Hampshire" marks the day the New Hampshire quarters were first released to the Federal Reserve and the public — certifying this limited edition and honoring "The Granite State."

The reverse design of the New Hampshire quarter depicts one of New Hampshire's greatest natural attractions — "The Old Man of the Mountain" — opposite nine stars, signifying New Hampshire's status as the ninth state to ratify the U.S. Constitution — and the state motto, "Live Free or Die." The design was based on suggestions given to the New Hampshire Commemorative Quarter Committee, established by Governor Jeanne Shaheen to moderate a statewide design contest.

The New Hampshire quarters are the ninth coins of the 50 State Quarters™ Program that honors each of the 50 states in the order they entered the union. Five state designs will be issued each year through 2008 at approximately 10-week intervals.

Customers can purchase the New Hampshire quarters four ways: First, they can save shipping and handling charges by using the Mint's secure web site [www.USMINT.gov](http://www.USMINT.gov).
